EAST HIGH SCHOOL

# *DEDICATION*

*MR. BOB YOUNG*

The 1967 *Mustang* is dedicated to Mr. Bob Young. Until Mr. Young was promoted to the Board of Education, his fame around East High was widespread. Everyone in Senior High knew him by sight. His radiant personality accounted for much of his popularity; however, it was not entirely responsible for his wonderful reputation. Student and teacher alike marveled at his teaching ability. He was able to transform physics and chemistry into highly informative courses. In addition, his students enjoyed the subjects while learning the fundamentals of basic science. For many students, Mr. Young made science come alive. He never hesitated to be available when help was needed, whether in the laboratory, the classroom, or the school in general. He was Key Club sponsor for three years, as well as sponsor of the Science Club. Even though Mr. Young has left East, his enthusiasm, bright smile, and cheerful words have not been forgotten. He has gained the lifelong friendship and admiration of everyone at East High.

# MR. EAST HIGH

Determination and courage of convictions in every endeavor are quite typical of MR. EAST HIGH, Lloyd Malone. Ever since the ninth grade, he has been known for his strong beliefs. As a freshman he participated in football, basketball, and track as well as entering the Latin I and Algebra I Tournaments. In the tenth grade he was elected vice-president of his homeroom, and he was a member of the E Club, French Club, Math Club, and track team. Again in the eleventh grade, Lloyd was elected vice-president of his homeroom. Selected for membership in the Key Club, he also joined the Math, Science, French, and E Clubs. In addition he received Honorable Mention in the East High Science Fair. As a senior Lloyd was elected president of the Student Council and vice-president of the Memphis and Shelby County Association of Student Councils. Likewise, the National Honor Society tapped him for membership. Although he was kept busy by all these activities, he still found time for football and track. Lloyd has thus been rewarded for his service to East with the honor of being named MR. EAST HIGH.

Enthusiasm, ability, scholarship, and talent characterize MISS EAST HIGH. Susan Bach has been a noted class leader since the ninth grade when she was captain of the cheerleaders, and obtained the mark of Distinction in the Latin Tournament. She continued her activities in the next year when she was elected secretary of the sophomore class. She also was a cheerleader, a member of the Latin and Pep Clubs, and a recipient of the award of Distinction in the Latin Tournament. As a junior, Susan gained membership in the National Honor Society, and the faculty chose her to represent East High School at Tennessee Girls' State. She helped to create and maintain school spirit as co-captain of the cheerleaders.

This past year Susan was elected captain of the cheerleaders. She was also chosen as Teen-Ager of the Week and Key Club Queen. In addition she was selected as a Homecoming Queen Candidate, and she was a member of the Latin and Spanish Clubs. Thus, Susan has rightly earned the title of MISS EAST HIGH.

# MISS EAST HIGH

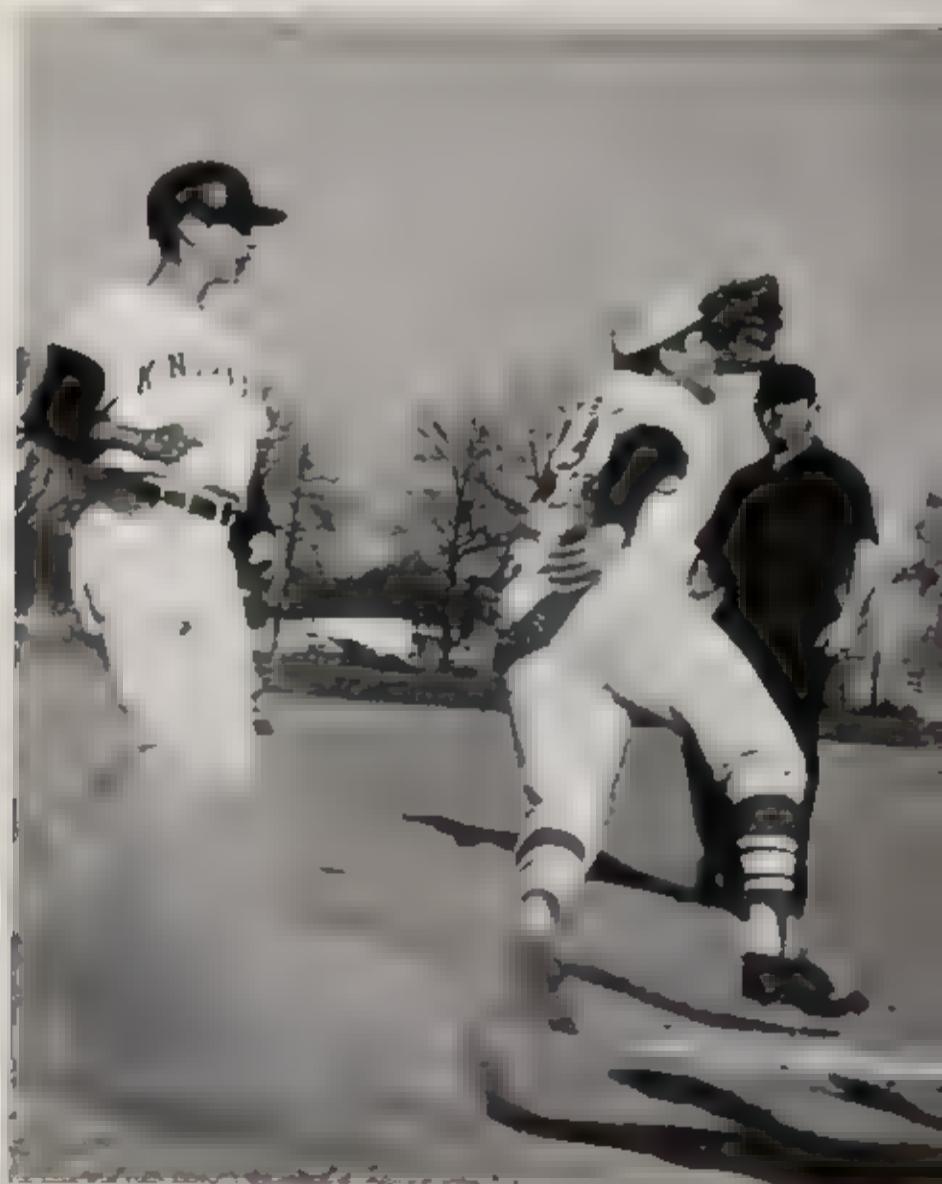

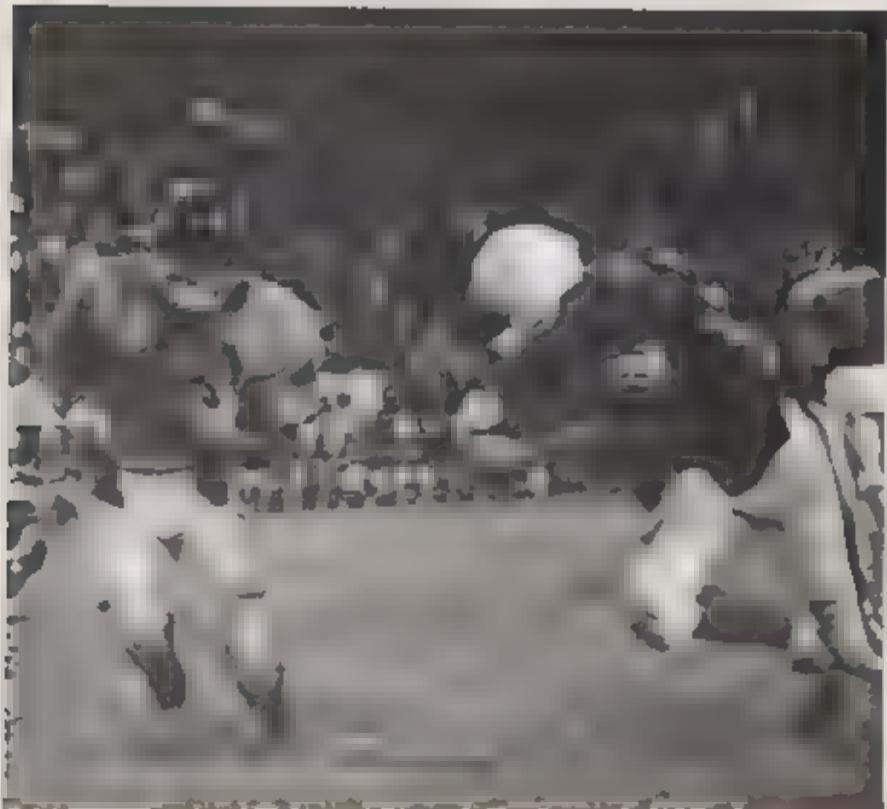

The sports picture begins and ends the year at East. From the first football game to the last baseball game and track meet, both students and faculty enjoy the athletic endeavors of our teams. The cheerleaders are vitally interested and help the sports program through their untiring efforts.

The students at East make the school what it is. They are engaged in many and various activities. When they need assistance, it can always be found at the guidance office or gotten from any of the many interested teachers who comprise the East High faculty. Many others, such as the traffic policemen, serve the students throughout the year.

Our assemblies at East this year reflected the times. Everything from rock and roll music to a science program by NASA was presented. In addition, awards came to many students. Among the honorary organizations which inducted new members were the Honor Society, Quill and Scroll, and the Key Club. This recognition was earned by hard work and diligent service.

# SENIORS

*EDITOR — Bitsy Kasselberg*

... encountered many difficult tasks as the year began. Among these labors were filling out college applications, taking ACT's, College Boards, and studying. Anticipation of graduation increased as the number of days till commencement exercises decreased. When the final day arrived and every exam was finished, joy reigned, though for some there was the sadness of leaving school and entering into the world. The present as well as the future appeared bright. New encounters challenged each new high school graduate.

Left to Right: Randy Kelley, Vice-President; Mike Speros, President; Betty French, Secretary;  
Luke Prescott, Treasurer; Van Siler, Chaplain.

# STUDENT COUNCIL — GUIDE OVER OBSTACLES

One of the most important organizations of East was also the busiest. After an exciting campaign last spring the ballots were cast and the officers were elected.

The year began with the organization of STUDENT COUNCIL committees. These committees sold bus tickets, checked hall passes, watched the lunch room, wrote a newsletter for the Round-Up, kept the bulletin board up-to-date, and produced the record, HOOBEATS. Members participated in the Muscular Dystrophy Drive in the fall.

The officers were successful in arranging some of the best assemblies EAST ever had. All members worked hard and upheld the fine traditions of past councils and set new precedents for others to follow.

The ACTIVITIES COMMITTEE composed of D. Williams, A. Fisher, J. Robinson, C. Clay, J. Cannon, A. Woolner, P. Harsh, J. Tucker, and B. Mallory sold bus tickets before football games.

## THE CREATION OF LASTING MEMORIES

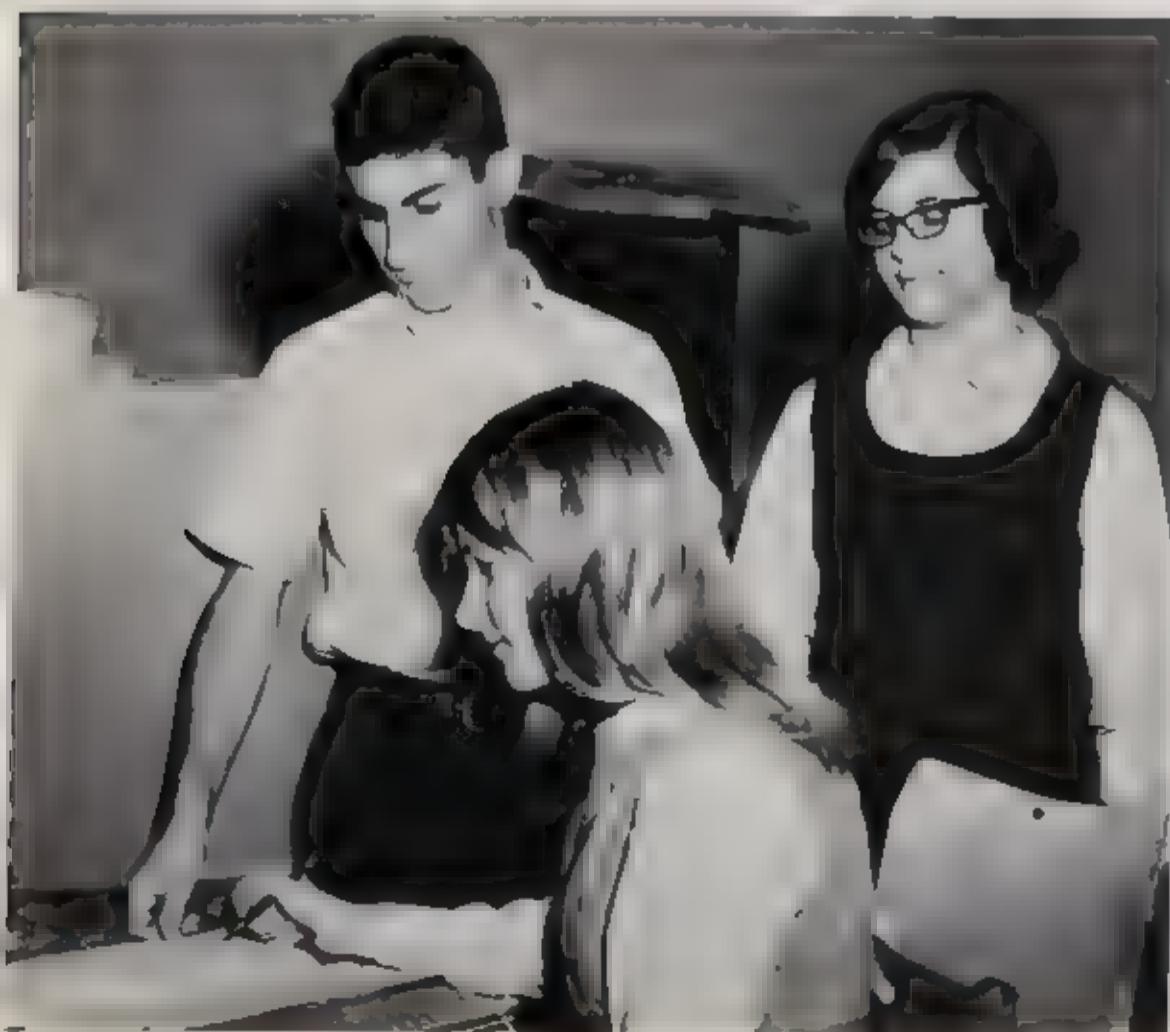

The MUSTANG STAFF began its work in the summer and continued it until the following summer when the annuals were distributed. Selling ads and annuals, drawing layouts, and rushing to meet deadlines were all a part of the activities which the staff members experienced. The juniors and seniors who comprised the MUSTANG STAFF worked hard to present this yearbook to you.

*WHERE WORDS  
BECOME EXPRESSION*

Editor Lorraine McKinnie and Mrs. Headstream work on the latest edition of the MUSTANG ROUND-UP.

Writing articles was only one facet of the work of the members of the MUSTANG ROUND-UP. The paper staff attended the Commercial Appeal clinic in November to learn how to present news more effectively. Here they acquired valuable tips on writing, editing, and reporting, which enabled them to produce an outstanding paper for the student body. Selling ads and gathering news was also included in the routine of the junior and senior students who composed the MUSTANG ROUND-UP staff.

# APPRENTICE —

## VARIETY OF THOUGHTS, IDEALS, AND DREAMS

Mrs. Olds gives Gay Daly, Editor of the APPRENTICE, counsel concerning the literary magazine.

This big picture of Ben Franklin played an important part in the APPRENTICE'S campaign for patrons.

Producing a literary magazine that would satisfy all members of the East High student body was no small task, but Gay Daly, editor, and the rest of the staff of juniors and seniors did it.

Two industrious campaigns set the APPRENTICE on the road to success. The first was a Homeroom Competition to see which Junior and Senior High homeroom could contribute the most money as patrons.

The other campaign was for literary contributions by the students. Many talented students had the satisfaction of seeing their poems, essays, ballads, short stories, and drawings in print when the APPRENTICE selected the best contributions and compiled the APPRENTICE of 1967.

APPRENTICE staff members are: SEATED: N. Boggan, E. Kidd, G. Daly, L. Davidson, C. Dickerson. SECOND ROW: B. Wheat, K. Reed, M. Maiden, D. Baker, B. Kirkpatrick, C. West. THIRD ROW: B. Brashear, L. Dinwiddie, J. Chapin, P. Harsh.

# QUILL AND SCROLL

The QUILL AND SCROLL is an international honorary society for high school journalists. Its members are those students from the three publication staffs at East High that have shown excellence in their work. After the spring induction the old members gave the annual tea for the new ones. The QUILL AND SCROLL encouraged appreciation and participation in the field of journalism.

The new members of the QUILL AND SCROLL repeat the pledge.

# THE PURSUIT OF WORTHY IDEALS

HONOR SOCIETY induction—scholarship, leadership, character, and service.

Work is the key note to the duties of an HONOR SOCIETY member. Only fifteen per cent of the Senior class may be inducted into the Society. The inductions were held in the spring and the fall.

The duties of these members were giving honor roll ribbons to "A" students, tutoring classmates weak in their studies, promoting a candy sale, and selling valentines.

The different money-making projects were for the purpose of awarding a scholarship to a deserving senior.

Thus, through the year, the HONOR SOCIETY achieved its goal—to promote good scholarship, render service to the school and community, promote honesty, and encourage students to continue their education.

Making and distributing honor roll ribbons was one of the main HONOR SOCIETY projects.

The KEY CLUB, an honorary organization for high school boys sponsored by Kiwanis International, began its active year with its annual induction in November. Fifteen "key" boys from the sophomore, junior, and senior classes were chosen on the basis of leadership, character, and service.

KEY CLUB members, under the capable leadership of Richard Faber and sponsor Mr. Barden, were kept busy serving the school and community. They served as ushers for the P.T.A. open house, sponsored the East High School Directory, marched for St. Jude Hospital, cleaned up the parking lots, and passed out programs at the basketball games.

The KEY CLUB fulfilled its purpose this past year of developing initiative and leadership, by providing experience in living and working together and preparing for useful citizenship.

# "E" CLUB —

## THE STRENGTH TO CLIMB MOUNTAINS

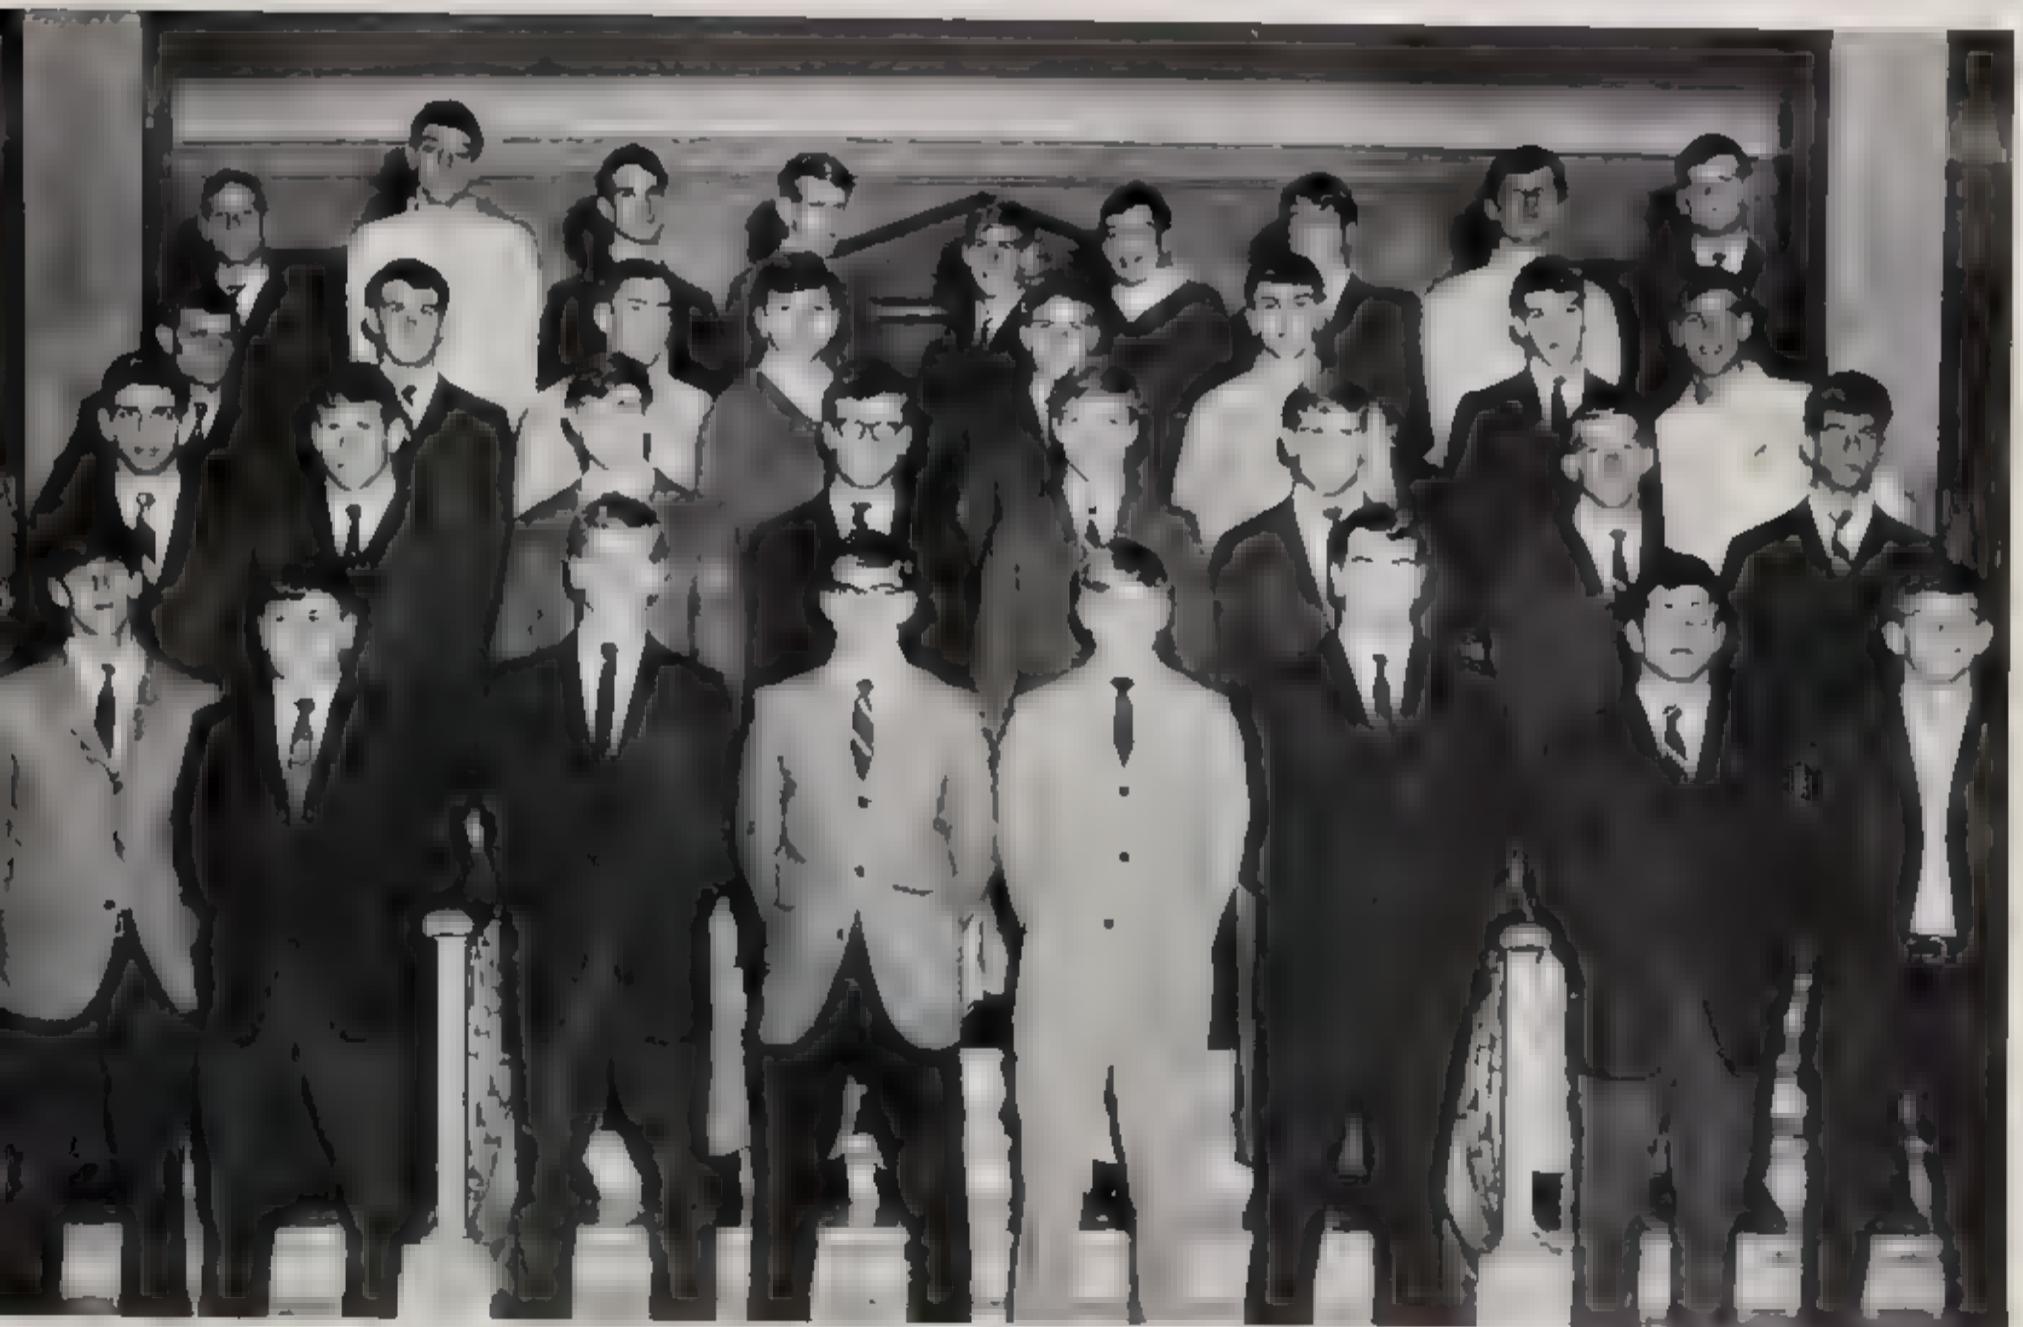

The "E" Club is an honorary athletic organization for East High boys who have earned a letter in any sport.

The sophomore, junior, and senior members had an active year. They upheld and instilled pride and spirit in East High's athletic events by aiding the PEP CLUB in making spirit signs for the halls.

The "E" Club gave a big boost to the spirit of EAST High students at all athletic events.

# CHESS CLUB —

## CHECKMATE — THE GREATEST BARRIER

The CHESS CLUB gave boys in the East Senior High a chance to apply knowledge of the game to the playing board. Competition was always stiff. This year the East team participated in seven matches and won four. A city wide tournament in which young and old participated allowed the boys to show their individual skill.

The boys spent weeks of studying and planning moves before they entered these matches. The CHESS CLUB provided an intellectual challenge and an entertaining pastime for its members.

CHESS CLUB members are: SEATED: L. Prescott, L. Malone. STANDING: S. Rossen, Mr. Welch, R. Witherspoon, D. Cohn, C. Handorf, S. Zalowitz, M. Longenecker.

DEBATE TEAM members are: SEATED: B. Brashear, T. Brannum, J. Chapin, S. Snow, B. Sissman. STANDING: M. Jobst, T. Bateman, G. Daly, Mrs. Clements.

With a new sponsor, Mrs. Clements, the debate team participated in debates at Frayser, White Station, Hillcrest, and Memphis State University. These debates helped to prepare students for the future. They learned how to prepare and give an argument, and to face the problems of the day with an open mind.

J. Chapin, Mrs. Clements, and G. Daly worked hard in preparing their debates.

# SCIENCE CLUB —

*THE GOAL OF SCIENCE

SCIENCE CLUB officers are: Mrs. Prentice, D. Baker, D. Bratton, L. Davidson, G. Daly.

The SCIENCE CLUB had many interesting speakers such as Dr. Barnheart.

An active discussion at the SCIENCE CLUB meeting is led by Mrs. Prentice.

In the past year the SCIENCE CLUB had many meetings with interesting speakers. Representatives from the Huntsville Laboratory and the Bell Telephone Company were among them.

Mrs. Prentice took interested students on a tour of the Oak Ridge National Laboratories in Oak Ridge, Tennessee. The SCIENCE CLUB provided an opportunity for interested students to learn about the aspects of science which cannot be presented in the classroom.

# HISTORY CLUB —

*A CHALLENGE  
FROM THE PAST*

To become more informed about past and present events, interested students who studied under Miss Clark attended meetings of the HISTORY CLUB.

The club had public figures such as Mr. Loeb, former mayor, to speak. The subject of his speech was our city's government, present and future.

These meetings promoted students' interest in world events and civic affairs.

Miss Clark and Ann Osterloh listen to the HISTORY CLUB speaker.

American and World History students were eligible for membership in the HISTORY CLUB.

HISTORY CLUB officers are: Miss Clark, G. Daly, T. Appleton, T. Dean, C. Deaton, K. Trusler.

*SPIRIT MAKES IDEAS ACTIONS*

"GO, GO—GET 'EM,  
GET 'EM—OO, AH!!"  
Through the EAST  
HIGH PEP CLUB this  
became the slogan of all  
school-spirited Mustangs.

bers worked hard at dec-  
orating the halls, gym,  
and goal posts with red  
and gray crepe stream-  
ers and signs before  
each game. Then as each  
game came, the work to  
create spirit was paid  
off by crowds of sup-  
porters, urging on the  
team with their cheers  
for victory.

Besides decorations  
the PEP CLUB was re-  
sponsible for the skit in  
the fall before the  
Homecoming game with  
the Messick Panthers.

COACH ROWLAND

The 1966 Mustangs opened their season with two weeks of pre-season conditioning. After getting into shape, they donned their pads and began scrimmaging. Three weeks of grueling work followed and the Mustangs emerged ready to face their rugged schedule.

The Prep League Jamboree allowed the Mustangs to display their talents in a one quarter encounter with Tech. The 13-0 score in favor of East indicated that the team was ready to begin regular season play. Danny Miller skirted left end for a 25 yard touchdown run, and Ronnie Hall ran 80 yards on a sweep to account for the Mustangs' two scores.

For the first time in its history, East came from behind to win a football game. Having allowed Trezevant thirteen points, the Mustangs stormed back in the second half to score two touchdowns and emerged as 14-13 victors. Hall and Miller again combined to account for the tallies. Ronnie scored from one yard out and Miller rambled nine yards for the other score.

GENE HILL E

JIM MacDONALD G

Ill fortune overcame the Mustang squad in their next game as they lost to Westside 26-0. The offense was never able to get going against the defense minded Wildcats. David Bratton and Jim MacDonald sparked the line play of the Mustangs in a losing cause.

MIKE BAYER FB

ANDY COPELAND HB

The Mustangs lost a tough ball game to the Treadwell Eagles in their next outing. Treadwell scored with just seconds remaining in the first half to take a seven point lead into the locker room. The defense, led by David Harsh and Randy Kelley, held the Eagles until the third quarter when they managed to score the winning touchdown. The Mustangs' score came on a sensational 64-yard pass play from Danny Miller to Andy Copeland. The final score was in favor of Treadwell, 14-7.

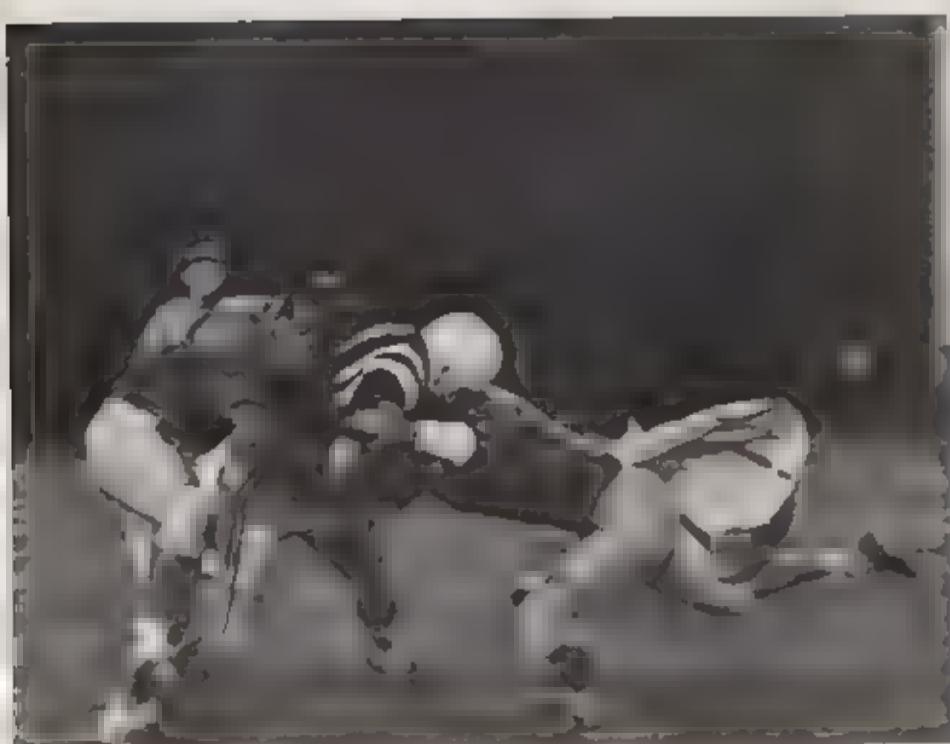

The Mustangs bounced back to beat the Kingsbury Falcons 20-13. The superior East High team made a strong offensive showing in the first period by scoring 13 points. Mike Bayer scored the first touchdown. Mike Pettit recovered a fumble on the 12 yard line and ran it into the end zone for the second score. The last East High tally came in the second period on a 13 yard jaunt by Ronnie Hall. Junior Quarterback Harry Phillips did an outstanding job while leading the Mustang offense.

GEORGE NASH FB

JOHN CANNON C

SIDNEY MENDELSON C

PAT COPELAND E

The Mustangs lost a hard fought game to the White Station Spartans. The East High effort was handicapped by a block punt and key penalties. The Mustangs were first to cross the goal line. David Bratton scored on a seven yard tackle eligible pass. The score at half was 12-6 in favor of White Station, but in the second half the Mustangs could only manage a seven yard tally by Miller. East had to settle with a 26-13 loss.

JOHN EGGLESTON HB

LAMAR JONES E

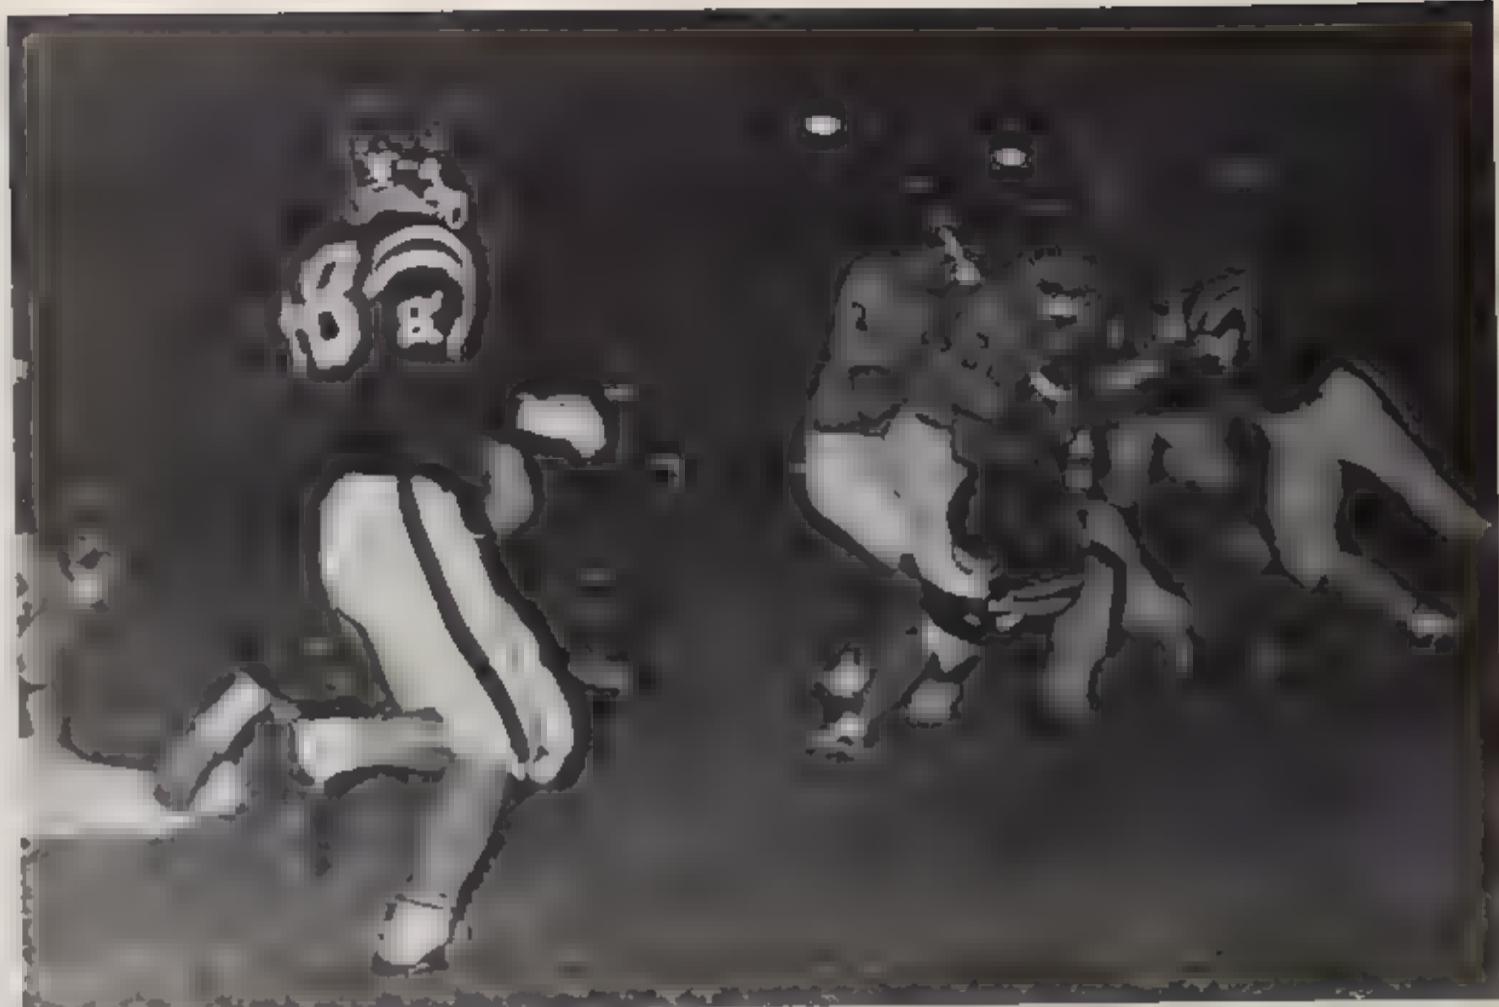

LUKE PRESCOTT HB

MIKE PETTIT I

The Mustangs suffered a disheartening 40-13 loss to the Overton Rebels. Everything that East High did seemed to turn into a break for Overton. The highlight of the game was the scoring of Danny Miller. He sprinted 84 yards through the entire Overton team for one touchdown. He also tallied on a 1 yard quarterback sneak.

The Mustangs played an excellent defensive game against the Messick Panthers. The powerful East High line threw the Messick ball carriers for continuous losses. The Messick scores were the result of long runs. Just before the half ended, Danny Miller returned the Messick kickoff 87 yards for a touchdown. The final result was 13-7 in favor of the Panthers.

Even though they lost 28-6, East High played a valiant game against the number one team in the league, Christian Brothers. The Brothers were held scoreless in the first period and managed to obtain only a 14-0 advantage at half time. In the second half the Mustangs engineered an 80 yard drive for their score. Although there was a great team effort, East High lacked the depth to overcome the Brothers.

Although East controlled the ball most of the game, the team lost a close game to Memphis University School. The only score of the game came with 1 minute and 12 seconds remaining in the game. The M.U.S. drive was stalled at mid-field, but it was given new life when the Mustangs were assessed a 15 yard penalty for roughing the kicker. Danny Miller ended his brilliant campaign by completing 8 of 16 passes for 84 yards.

Throughout the year the cheerleaders eagerly worked to arouse and sustain spirit and support for the teams. They tirelessly led cheers at the games and pep meetings. Although their job was exciting, much work went on behind the scenes. During the summer many hours were spent practicing. When school started, the girls continued practicing and were responsible for selling spirit ribbons, programs, and tickets during football season.

It was a big honor for each girl to be chosen cheerleader and one which involved both work and fun. However, the greatest benefit each received was a personal one. In serving their school in such a way, they developed a deeper and more sincere interest in their teams' efforts and shared in the teams' accomplishments.

Desire, pride, and team spirit were the qualities that best exemplify the 1966-67 Mustangs. During the year this team compiled the best record of any East High team since 1964. Before the league competition started, the varsity won nine games and lost only one. In their first game the Mustangs showed their skill by beating Hillcrest 66-37. The first real test of the team was the Central game. Central was a heavy favorite, but East rose to the occasion to beat them 55-50. Charles Bradley sunk a twenty foot shot with one second left to win the next game against Memphis University School. Gene Early led the Mustangs through these first ten games with a 27.5 average.

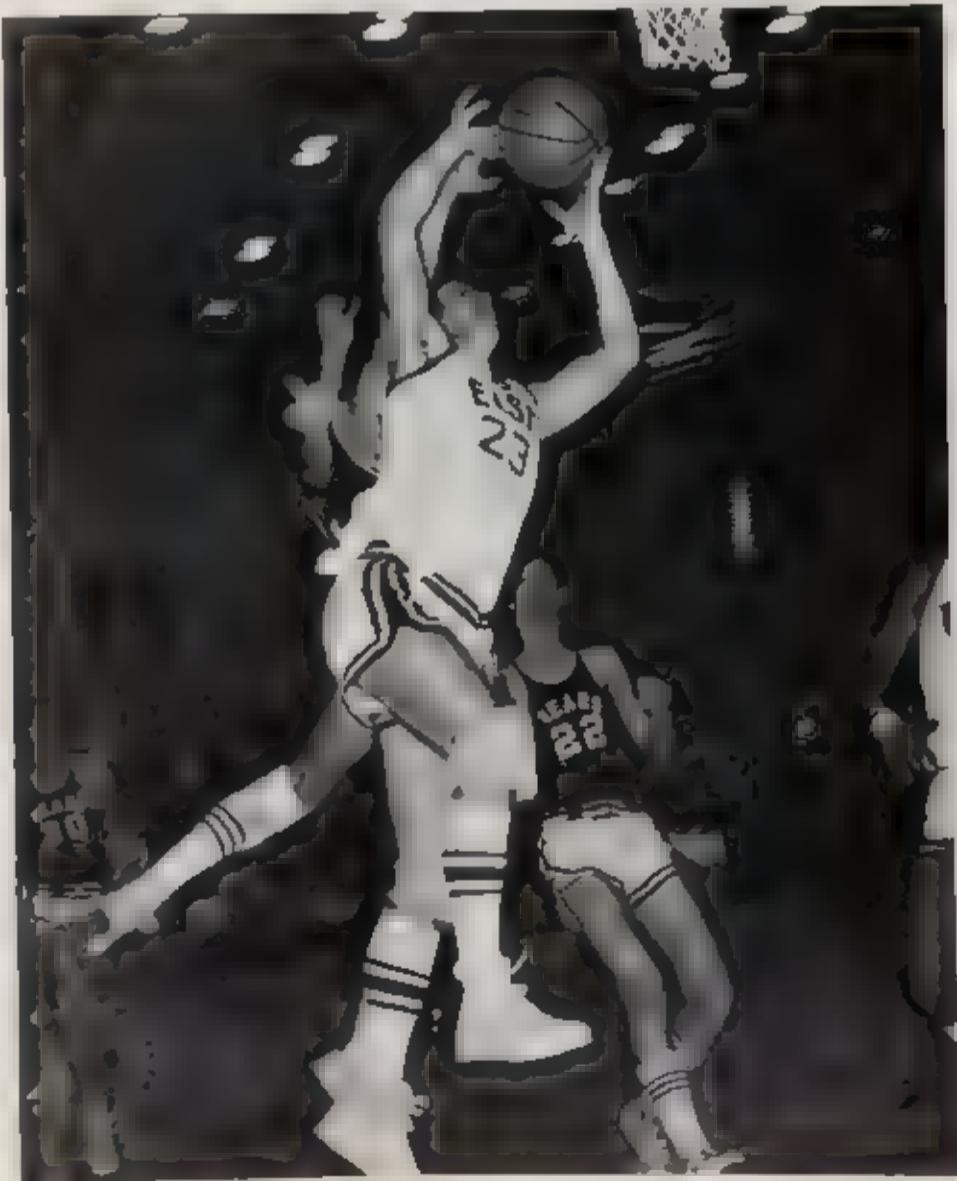

An easy tip-in by Early.

Spirit rises on the bench.

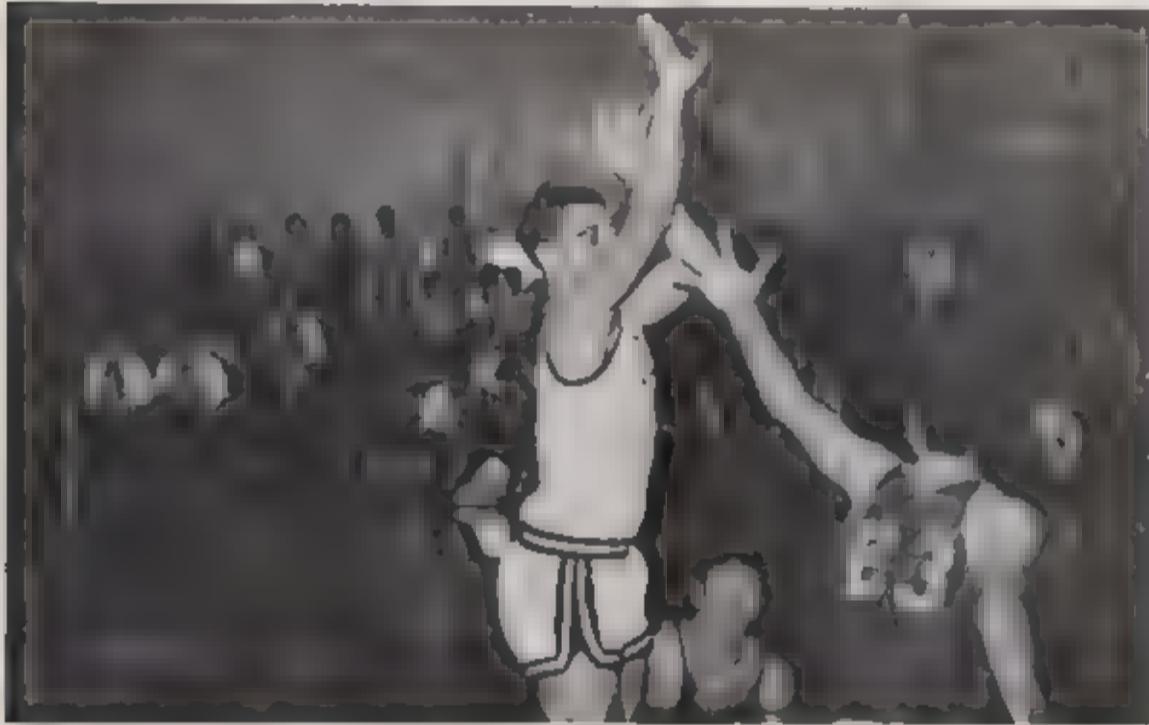

Speros jumps above the defenders for two.

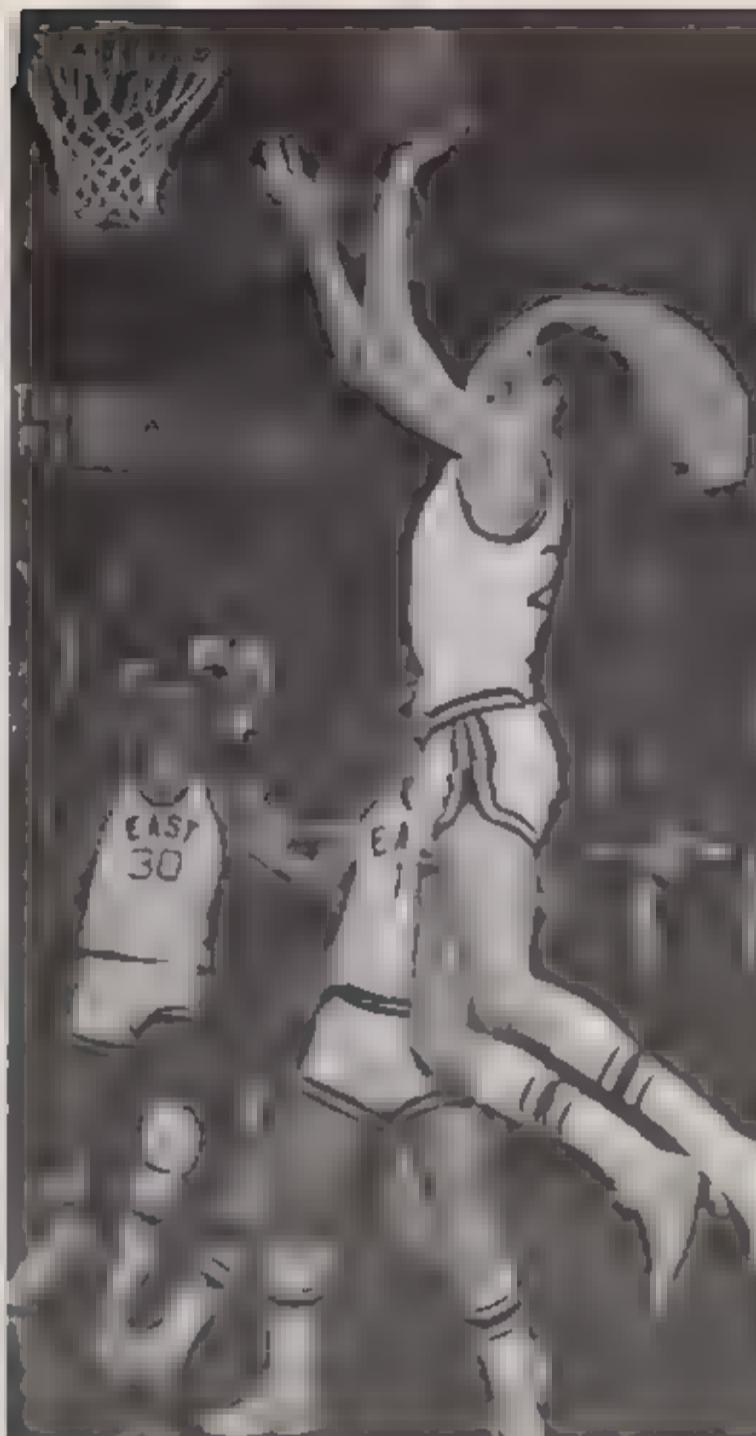

Gordon gets a three point play for the Mustangs.

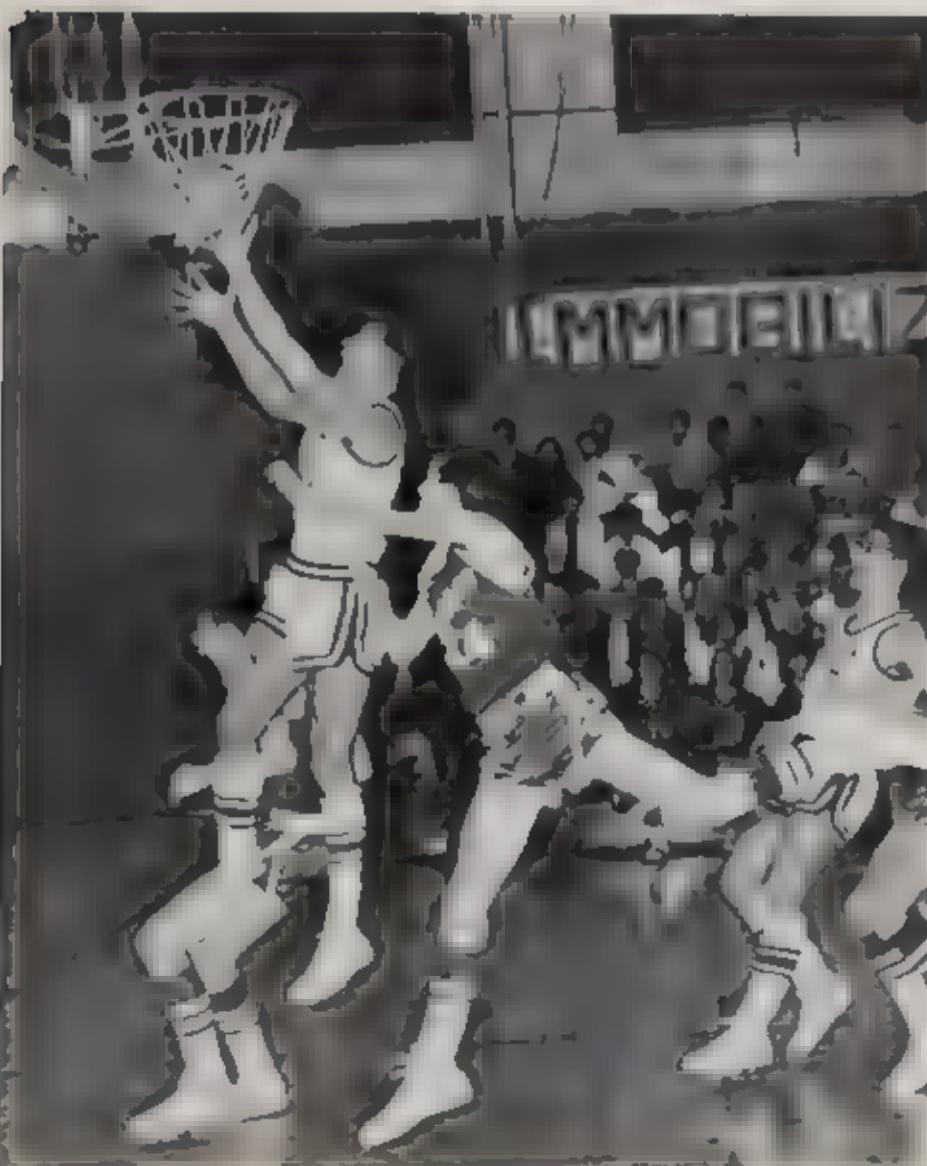

When the league competition started, the Mustangs won their first two games by beating CBHS and Messick. The varsity had some bad luck in the next three games, losing the first one by one point. The Mustangs showed their desire to win and pride in their school when they came roaring back to win the next four games. After losing a close game to Kingsbury, the Mustangs showed determination when they ruined Overton's chances to win the crown by beating them 67-50. When the district tournament started, the varsity came to win. They thoroughly trounced Trezevant 76-44. In the next game against the district champion, Central, the Mustangs had a bad first half and could not beat the Central stall. The Mustangs showed their typical hustle when they came from a twelve point deficit to pull within two points. For his fine effort during the season Gene Early was named to the first team All-Memphis, the District Tournament team and the third team All-State. Mike Speros, Tom Shoffner, and Charles Bradley made Honorable Mention on the All-Memphis team. The Mustangs had a very successful season and ended up with a 15-9 record.

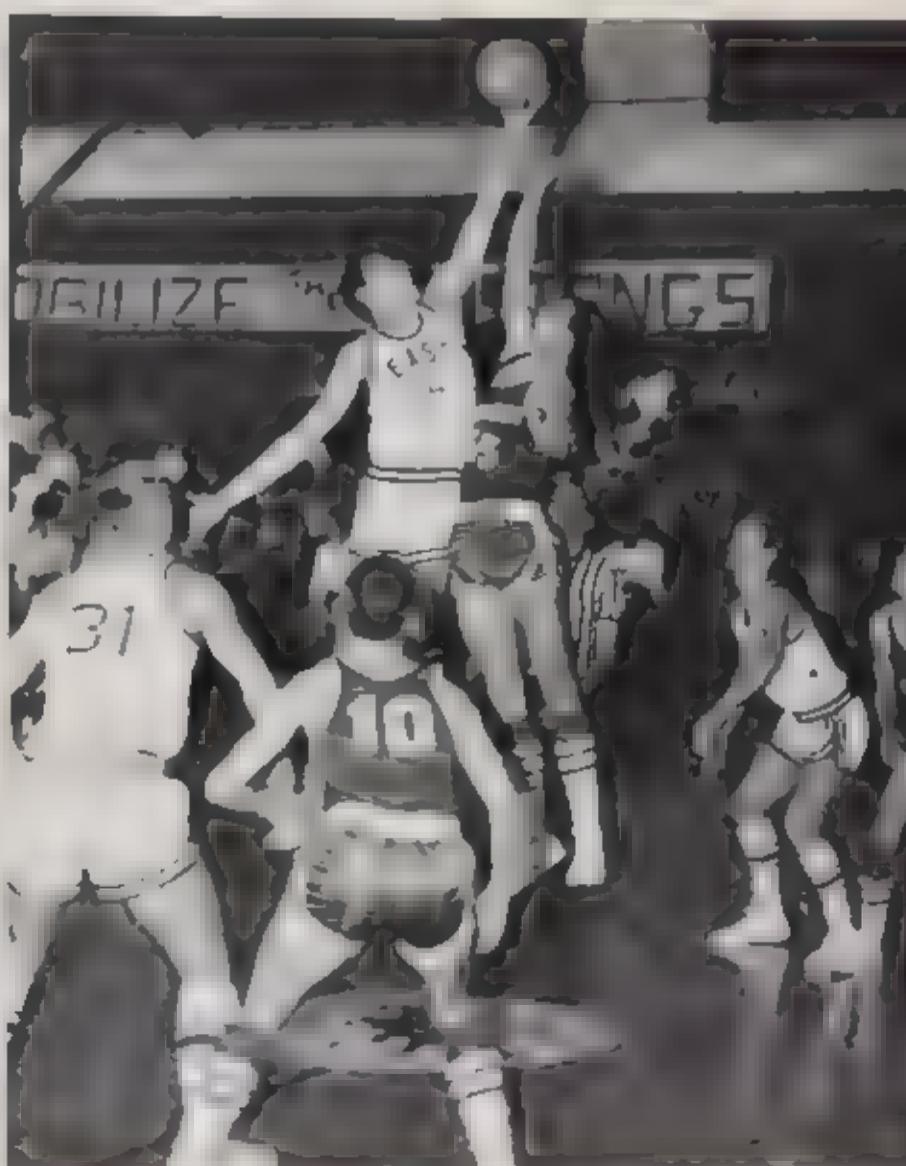

Bradley shoots for two.

Shoffner ends a successful fast break.

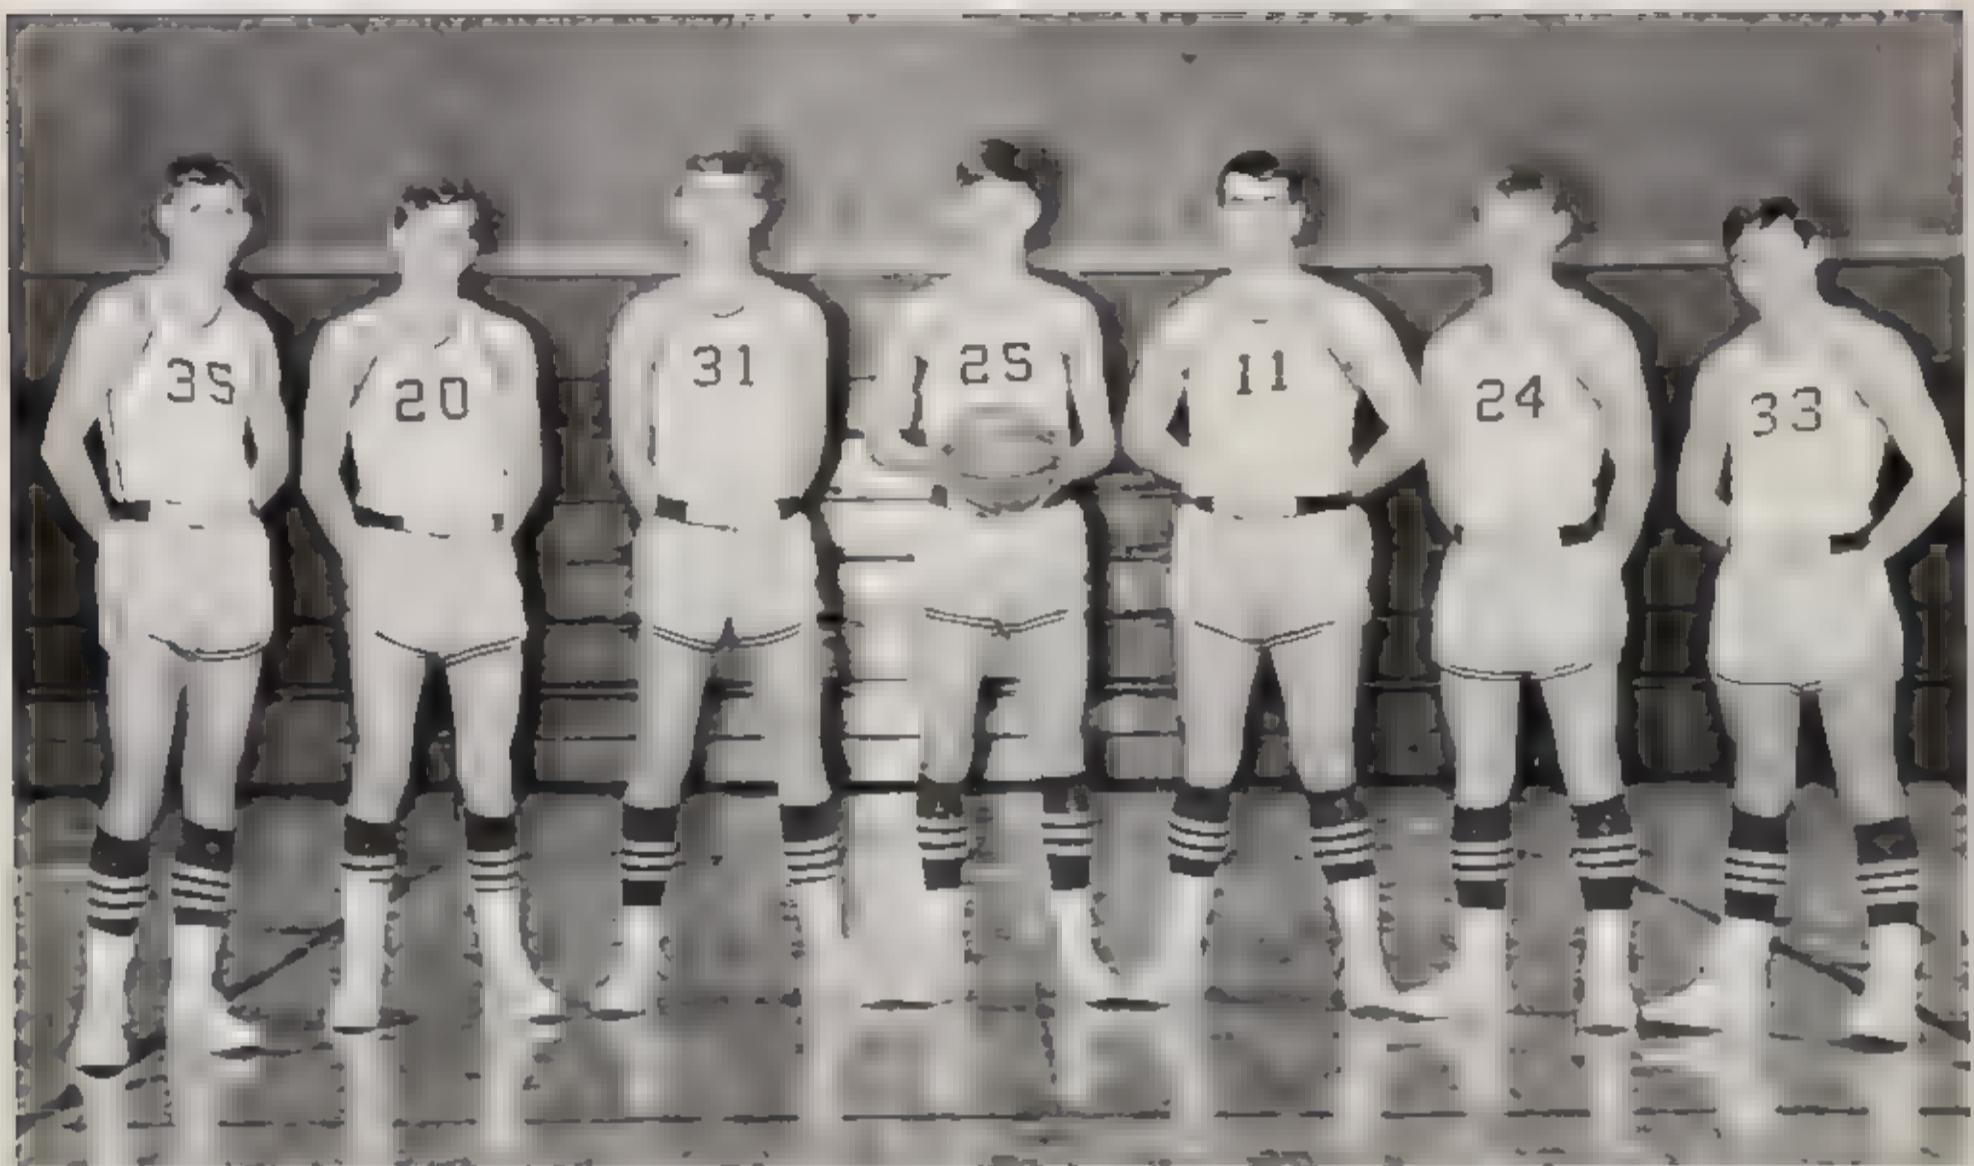

Gene Early drives down the middle for two.

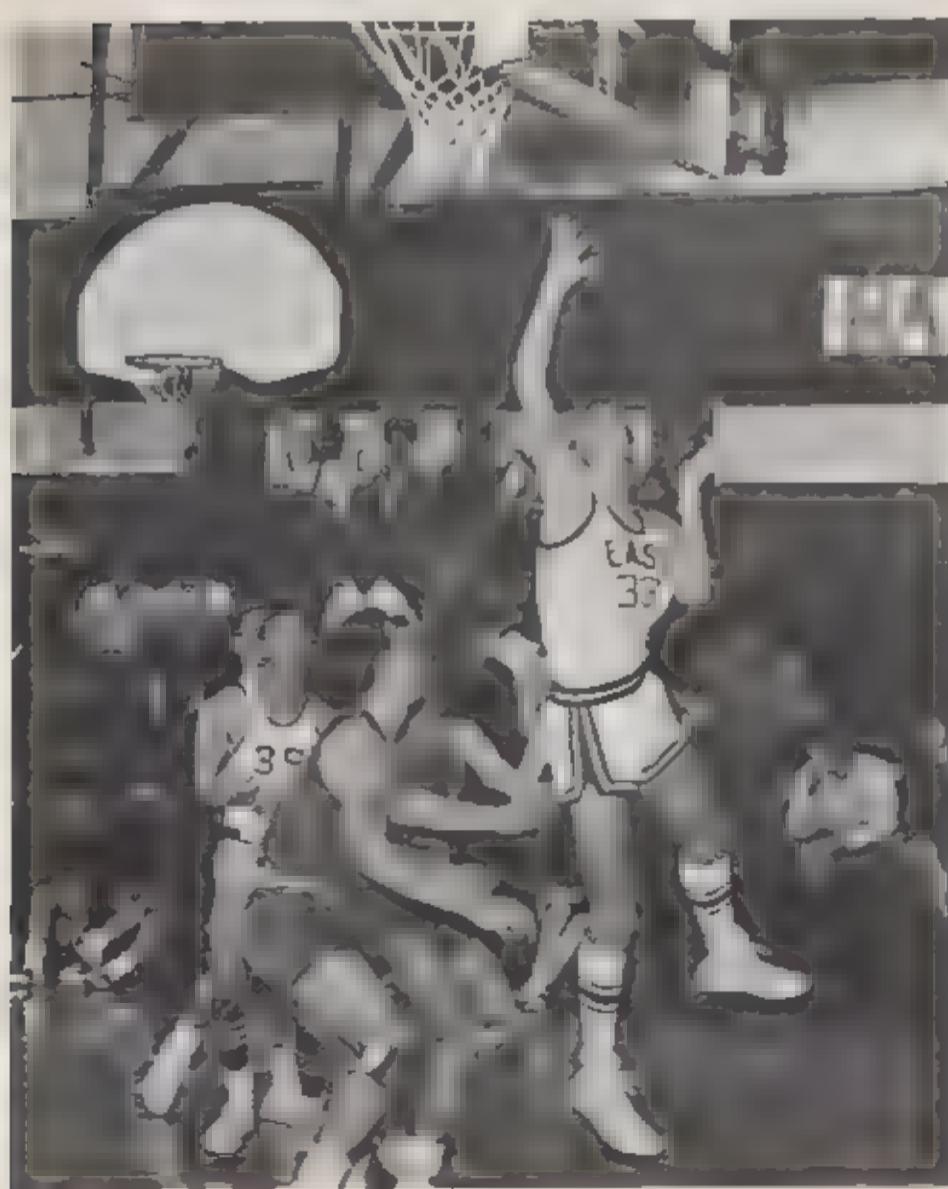

Shoffner opens the season by getting the t.p.

# SENIOR HIGH "B" TEAM

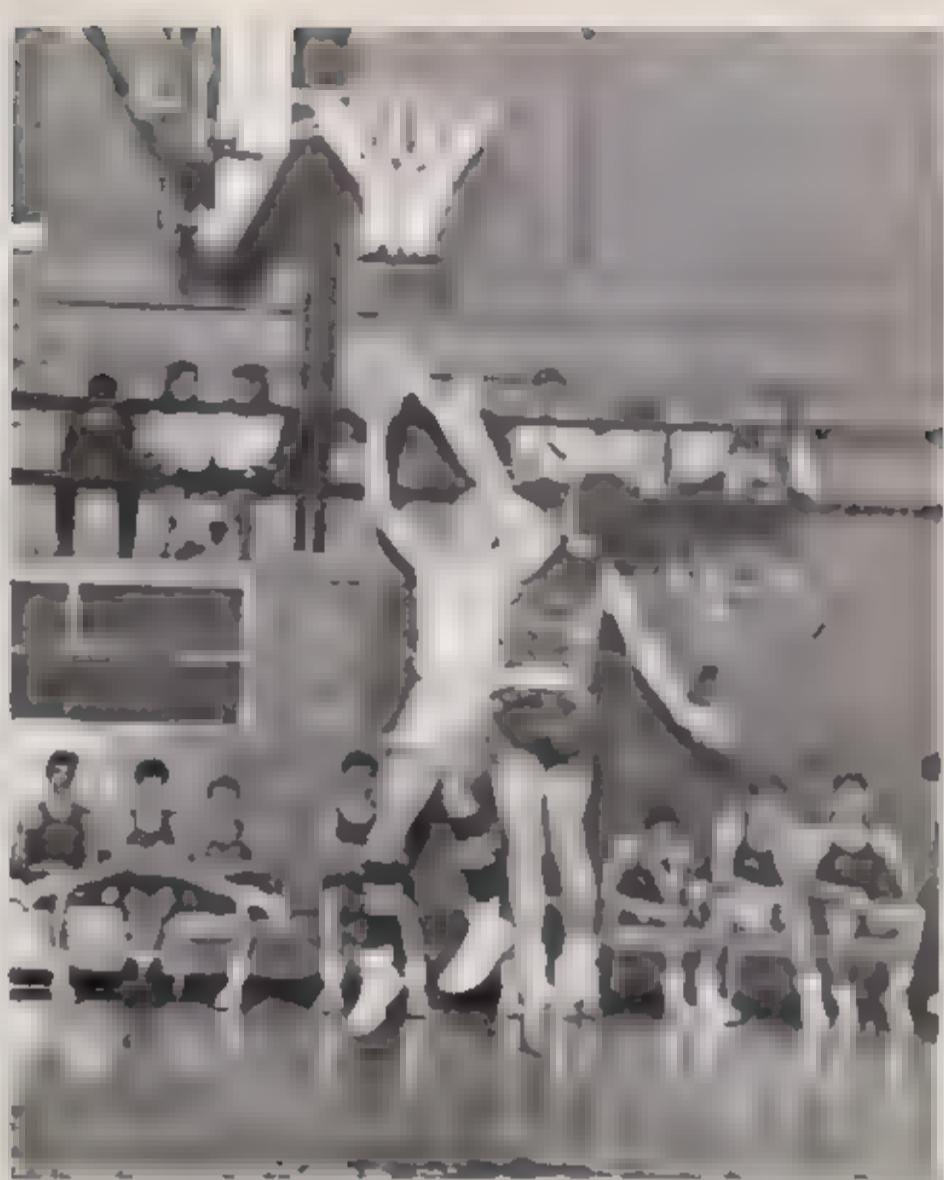

L. Cooper, D. Kinsey, J. Pilcher, C. Bowles, J. MacDonald, W. Crawford, A. Conaway.

The Senior "B" Team is the team that gives most of the East High Mustangs their experience for varsity basketball. During this time, the coaches help the boys to improve their skills and to experience the thrill of competition. The 1966-67 "B" Team has gained many of these things in the past season. The winning record of the team proves their ability to learn and to adapt to new situations. Mustang fans can expect to see a fine basketball team in the future.

The cross country team showed continuous improvement throughout its first season of competition. Coach Hester worked with each boy until every member of the team had lowered his time. Senior Gene Early and Junior Ken Thompson turned in the best times for the Mustangs. Next season the team will be strengthened by the return of three lettermen.

Coach Ammer gives the Ponies a pep talk.

With only three returning lettermen, the Ponies lacked the needed experience to have a winning season. The season was climaxed with a fine defensive effort that held Georgian Hills, the league leader, to minus yardage for three quarters of play. The defensive team was sparked by Bill Milligan, Preston Templeton, and all division tackle David Dean. The leading ground gainer and scorer was halfback Ray Neal. All the players in the Ninth Grade plan to continue playing football next year in Senior High. This past year has given them the valuable asset of experience, and Mustang supporters can look forward to seeing them play in the future.

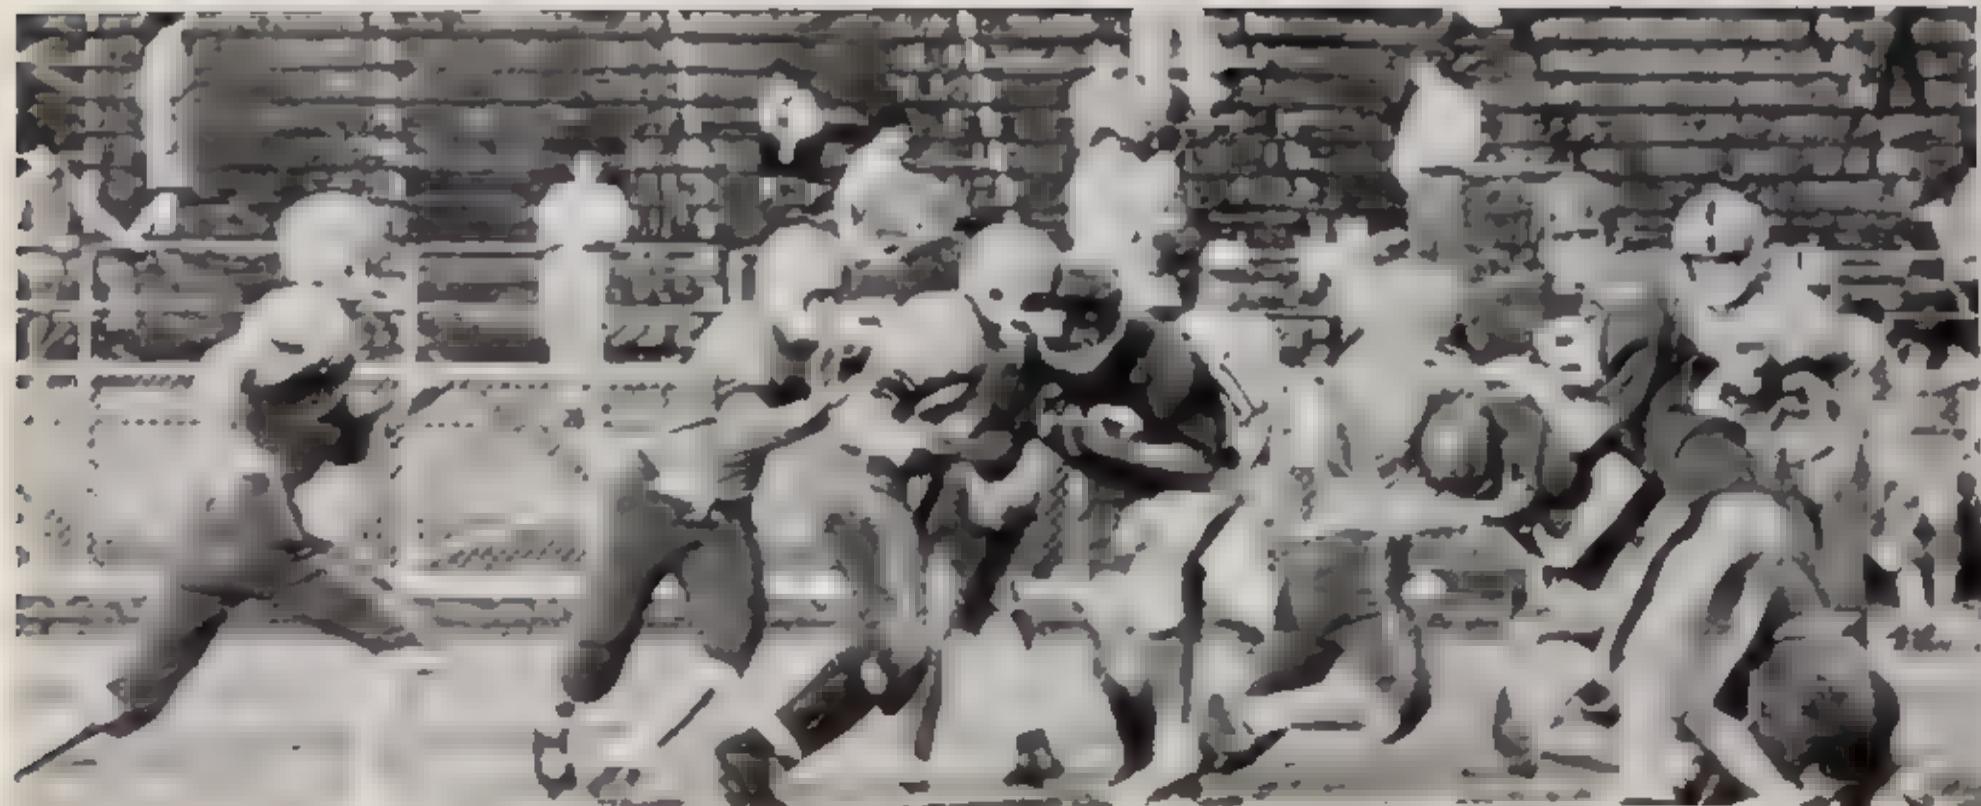

The Ponies drive for a First Down!

Ray Neal scores another touchdown!

Caldwell eludes defender.

Reflecting over the past year, students of East High can claim many distinctions. In every field from science to athletics, East has excelled. Both academics and extra-curricular activities have been a vital part of life at East. Recalling pleasant days at East, we must turn our energies to conquests and encounters which the future will bring.
